

SCHOLARSHIP OPPORTUNITY

See your future

Burgess-Norton Scholarship

Two scholarship opportunities are available with a maximum of \$2,500 awarded for each scholarship. The BN scholarship intends to provide financial support for graduating high school seniors in the VALEES region who wish to pursue their education in fields that relate to careers in manufacturing.

One scholarship is designed to support candidates pursuing an Associate of Applied Science Degree in an area of Career and Technical Education (CTE).

A second scholarship is designed to support candidates pursuing higher education leading to a Bachelor's Degree.

APPLICATION DEADLINE MARCH 23, 2012

Eligibility

A high school senior who:

- Will graduate high school in the year in which the scholarship is awarded
- Is a citizen or legal permanent resident of the United States
- Plans to attend an accredited post-secondary educational institution in the U.S., full-time or part-time, and attends in the fall of the academic year following high school graduation
- Exhibits personal and academic traits that will lead to success in continued education
- Has an overall GPA of at least 3.0 on a 4.0 scale
- Has an interest in pursuing a degree in one of the following areas and has successfully completed at least one high school course related to Career and Technical Education or STEM:
 - Manufacturing
 - Computer Aided Drafting
 - Engineering
 - Science, Technology, Engineering & Math
 - Business Management & Administration
- Has participated in work-based learning, community service, or extra-curricular activities that demonstrate personal commitment and development of personal or professional skills that will lead to success in continued education

Application forms and additional information are available online at the Valley Education for Employment System web site.

www.valees.org

Applications must be submitted in a professional and timely manner, including a high school transcript, resume and two letters of recommendation from school personnel, an employer, or individual not related to the applicant.

Invited applicants must interview with the Scholarship Selection Committee.

Burgess-Norton is the world's largest manufacturer of piston pins and leading producer of power metal parts with locations throughout North America, Asia, and Europe, including a facility in Geneva, Illinois.

Contact your high school counselor for additional information.
