I understand that Waubonsee Community College reserves the right to review the evidence of learning outcomes achieved through prior learning, to determine Waubonsee course equivalencies for this prior learning, to evaluate the extent to which evidence indicates knowledge and skills commensurate with those expected of a student earning a C in the course(s), and to award proficiency credit accordingly. I further understand that submission of evidence does not in any way obligate the College to award credit. To register credit, this completed form should be returned to Registration and Records with the \$10.00 recording fee.
